

SUSTAINABLE STEPS

Brought to you by Arielle Gerstein,
Charleston County's Sustainability Coordinator

Let's Celebrate Earth Day

This month, local government and non-profit organizations focused on environmental work in Charleston have joined together to bring a variety of special events to the community for Lowcountry Earth Week. Over 40 organizations are participating in these events.

Below are the events being organized or co-organized by the County. [See a full list of events here.](#)

Compost Workshop

When: Wednesday, April 19th at 12pm

Where: In-person: 2 George Street in the first floor Public Meeting Room, [Register Here](#)

Virtual: [Register for Zoom Here](#)

Charleston region residents will learn about two FREE options to compost their home food scraps, and take home a FREE kitchen compost caddy!

Recycling Open House

When: Saturday, April 22nd, 10am – 12pm

Where: 1099 Palmetto Commerce Parkway

No registration required

Come learn about where your recycling goes and how we recycle. This event also features FREE document shredding, and residents will receive a FREE tote bag if they bring in a plastic bag.

Compost Facility Tour

Saturday, April 29th, 9am – 12pm

[Register Here for a tour time](#)

Learn how Charleston's food scraps and yard waste are transformed into premium compost locally! Take home a free sample of compost!
